## Golf is Back! The Battle for #1.

Two thousand and five is proving to be a riveting year for Golf Enthusiasts around the globe. The Battle for number one continues, leaving everyone in suspense as to who will take the lead week after week. The top three players are keeping the competition close and the number one spot is with-in reach for them all. The Deutsche Bank Championship will undoubtedly turn into a showdown between not only **Vijay** and **Tiger**, but **Ernie Els** and **Retief Goosen** as well. Only time, and the intensity of competition, will tell how the events of the 2005 season will play out.

The 2004 Deutsche Bank Championship will forever be remembered as the day that **Tiger Woods'** incredible run of 264 consecutive weeks at number one was interrupted. **Tiger** and **Vijay** battled head to head in the final round with the world's top ranking on the line. One Unforgettable Experience was had by many as they watched **Vijay** step up for the win, taking

the title of number one in the world rankings along with it.

With a two-year extension in place, the Deutsche Bank Championship will undoubtedly continue to set records in the game of golf. Thank you for making history with us in 2004!

## What's New? Families Take Center Stage

The Deutsche Bank Championship has put a twist on the planning of the event for 2005. This year there will be an emphasis on bringing families together at the golf course. By creating a more family friendly environment, the Deutsche Bank Championship will enable parents to bring their kids along to share in the excitement and enjoy the game of golf together. **Family ticket packages** have been added to the line up of purchasing options available at this year's Championship. These all-inclusive packages make traveling with the kids a more manageable task. Since parking and lunch are a part of the family ticket package, all that parents will need to worry about is which part of the course to visit first.

The Deutsche Bank Championship will be welcoming a new founding sponsor for this year's event. **Blue Cross Blue Shield of Massachusetts** has come aboard to join us in our goal of raising funds in support the Tiger Woods Foundation along with other local charities for the empowerment of today's youth. Blue Cross Blue Shield of Massachusetts has provided 2.7 million members with high quality, affordable health insurance for 67 years. Blue Cross Blue Shield of Massachusetts is well known for providing the kind of health care coverage needed in the 21st century: high quality, customer-focused, and innovative.

## Drive to \$1 Billion Charity Wins at the Deutsche Bank Championship

*"The only guaranteed winners each week are the PGA TOUR charities."* Since the first donation of \$10,000 by the Palm Beach Invitational in 1938, the PGA TOUR has raised hundreds of millions in support of numerous different charities. Proceeds from tournaments benefit local charities, and people in need in the communities where the TOUR plays. Each and every PGA TOUR event relies on teams of hard working and devoted volunteers to produce such prominent charitable results. The Volunteers are the strength of this charity success story. The PGA TOUR has announced its newest campaign, Drive to \$1 Billion. Professional golf has touched millions of lives as "the official sport of Giving Back."

In the first two years, the Deutsche Bank Championship has contributed \$2.9 million to the Tiger Woods Foundation and local charities assisting the Tour in its Drive to \$1 Billion. The inaugural year contribution set a record for the largest donation for a first year event in the history of the PGA TOUR. Established in 1996, the Tiger Woods Foundation has set its mission to empower young people to reach their highest potential by initiating and supporting community-based programs that promote the health, education and welfare of all of America's children. With its two-year extension, the Deutsche Bank Championship intends to build on this achievement, thanks to the collective efforts of the players, fans and dedicated volunteers.

## Bring a Friend Campaign

What better way for you to enjoy your time as a part of the Deutsche Bank Championship Volunteer Program, than to do it with a friend. We would like to invite you to join us in our 2005 Bring a Friend Campaign. Sign up this year with a friend or family member who is new to the Blue Crew.

The Deutsche Bank Championship is creating a spectator experience for everyone in the family to enjoy. Lets bring a family feel to this championship right from the start.
